

# Where Are We Runnin'?

Lenny Kravitz

Fast lane  
High speed  
On the grind  
24/7  
No time, always runnin' here and there  
Chasin' the money  
So much jibber-jabber's cloggin' up our soul

(Where are we runnin'?)  
We need some time to clear our head  
(Where are we runnin'?)  
Keep on workin' 'til we're dead  
(Where are we runnin'?)  
Ooh-wee-ooh-wee-ooh  
Where are we runnin' now?

In style  
Profile  
Got to buy  
The new Cavalli  
Keep the skin tight and the booty in the air  
Don't stop the party  
The road is paved but narrow  
I hope we all get home

(Where are we runnin'?)  
We need some time to clear our head  
(Where are we runnin'?)  
Keep on workin' 'til we're dead  
(Where are we runnin'?)  
Ooh-wee-ooh-wee-ooh  
Where are we runnin' now?

Where you runnin', girl?  
I see you up there  
Oh, you up on that stage  
You up there  
I saw ya!

(Where are we runnin'?)  
We need some time to clear our head  
(Where are we runnin'?)  
Keep on workin' 'til we're dead  
(Where are we runnin'?)  
Ooh-wee-ooh-wee-ooh  
Where are we runnin' now?

(Yeah! Yeah!)  
(Where are we runnin'?)  
We need some time to clear our head  
(Where are we runnin'?)  
We keep on workin' 'til we're dead!  
(Where are we runnin'?)  
Ooh-wee-ooh-wee-ooh  
Where are we runnin' now?

(Yeah! Yeah!)

(Where are we runnin'?)  
(Whoo!)  
(Where are we runnin'?)  
(Where are we runnin'?)  
Ooh-wee-ooh-wee-ooh  
(Where are we runnin'?)
