

You're My Flavor

Lenny Kravitz

The way you love me
Is like a needle in my vein
When you're not around me
You know it just don't feel the same

And I've waited a long time
Just to feel the way I do
Just give me the reason
And I will be all over you

'Cause you're my flavor of love
You're my flavor I'm dreaming of
You're my flavor of love
You're my flavor I'm dreaming of

The way you touch me
Somehow it takes away the pain
And now I'm a junkie
I'm running around without a brain

I got the jones deep inside me
And you are what I wanna do
You give me this feeling
You always make me feel brand new

'Cause you're my flavor of love
You're my flavor I'm dreaming of
You're my flavor of love
You're my flavor I'm dreaming of

Flavor... Ouh come on
'Cause you're my flavor I'm dreaming of
You're my flavor of love
You're my flavor I'm dreaming of

'Cause you're my flavor
You're my flavor I'm dreaming of
Yeah yeah yeah

You're my flavor, you're my flavor, you're my flavor,
You're my flavor I'm dreaming of, yeah
All thirthy two baby

You're my flavor I'm dreaming of, yeah
'Cause you're my flavor of love, yeah. love.
