

Fun.

Lenny

I'm not saving lives, I'm just having fun
That's not a M number ten, it's just a water gun
I like playing games, I can afford to lose
Girl I don't get your downs, love livin' in my shoes

Cause girls just wanna have fun fun
Cause girls just wanna have fun fun
Cause girls just wanna have fun fun
Cause girls don't give a fuck

I hold my hopes up high and keep my ego low
Then I run free like a motherfucking animal
I'm gon' do all I want, I'm gon' have all I need
If Cyndi tells me so, I'm not gon' disagree

Cause the girls just wanna have fun fun
Cause girls just wanna have fun fun
Cause girls just wanna have fun fun
Cause

Don't you know that it's good for me
that it's good for me, yeah
be whoever I wanna be, yeah
be whoever I wanna be

Don't you know that it's good for you
that it's good for you, yeah
Do whatever you wanna do, yeah
Do whatever you wanna do

I'm just
gonna have fun
gonna have fun
I'm just
gonna have fun
gonna have fun!

Cause we're girls
Cause we're girls, yeah
