## **Endless Flight**

Keep me steady Don't rock me all around Lord, I don't wanna fall down Understand me I wish this jet was off the ground

Look around you And tell me what you see Are you afraid or is it me? I hope we make it I hope we don't fall in the sea

And it's gonna be an endless flight Until we reach the ground tonight Yes, it's gonna be an endless flight I know Like a flyin' bird in the night The wind is strong but I hope I'm right And this will be the end of this endless flight

Make me happy Just let me see the light I hope the runaway path is near The look the captain gave Was it confidence or fear? Oh, was it fear?

And it's gonna be an endless flight Until we reach the ground tonight Yes, it's gonna be an endless flight I know Like a flyin' bird in the night The wind is strong but I hope I'm right And this will be the end of this endless flight

And it's gonna be an endless flight Until we reach the ground tonight Yes, it's gonna be an endless flight I know Like a flyin' bird in the night The wind is strong but I hope I'm right And this the end of this endless flight

Yes, it's gonna be an endless flight Until we reach the ground tonight Yes, it's gonna be an endless flight I know Like a flyin' bird in the night The wind is strong, I know I'm right And this is the end of this endless flight Leo Sayer
