

## Fool for Your Love

Leo Sayer

Ooh, but love was just so hard to find  
Until you came along into my life  
And I thought I would lose my mind  
When you said that you wanted to be mine  
And ever since that day I've been hooked  
And nothin' could tear me away  
This livin' with you's like a dream come true  
And it grows more and more everyday  
Ooh, I'm reachin' the highest of highs  
Every time I look in your eyes  
You ask how I feel I can say it out loud  
I feel like a million inside  
I never thought this could happen to me  
You got me just where you want me baby  
And for your love I would do anything  
Ever night I'm a fool for your love, yeah  
I'm a fool for your love  
I'm a fool for your love  
I'm a fool for your love  
Hey I'm just a fool for your love  
Drivin' home from this sleepy old town  
When my day's work is all through  
Runnin' the lights, well I wish I could fly  
Just to get back faster to you  
I waited all day by the telephone  
Starin' at the clock on the wall  
The hours are so long when you're free from my arms  
And I just can't wait to you hold you  
I'm a fool for your love  
I'm a fool for your love  
Baby I'm just a fool for your love  
I'm just a fool for your love  
Ooh, you're givin' me chills up my spine  
I'm feelin' so fine, goin' out of my mind  
And I don't care if it never stops  
I'll love you right up until I drop, you know  
I'm a fool for your love  
I'm a fool for your love  
I'm just a fool for your love  
I'm just a fool for you love  
I'm a fool for your love  
I'm a fool for your love  
I'm just a fool for your love  
I'm just a fool for you love  
You've got a fool on your hands baby  
I'm just a fool for your love  
I'm a fool  
I'm just a fool
