

Hold On To My Love

Leo Sayer

Hello Western Union
Won't you listen to me ma'am?
I had no time to say good-bye
So take this telegram
While I'm gone
She's gotta hold on to my love
While I'm gone
She's gotta hold on to my love
It breaks my heart to leave her
But I'm working with this band
I've got one chance to make it now
Please make her understand
That while I'm gone
She's gotta hold on to my love
While I'm gone
She's gotta hold on to my love
Don't give it away

(solo)

So come on operator
And get my message through
She don't need to write me every day
All she's gotta do is
Hold on
Hold on to my love
While I'm gone
She's gotta hold on to my love
Don't let it slip away
Hold on
Hold on to my love
Hold on
Hold on to my love
