

## Hold On To My Love

Leo Sayer

Hello Western Union  
Won't you listen to me ma'am?  
I had no time to say good-bye  
So take this telegram  
While I'm gone  
She's gotta hold on to my love  
While I'm gone  
She's gotta hold on to my love  
It breaks my heart to leave her  
But I'm working with this band  
I've got one chance to make it now  
Please make her understand  
That while I'm gone  
She's gotta hold on to my love  
While I'm gone  
She's gotta hold on to my love  
Don't give it away

(solo)

So come on operator  
And get my message through  
She don't need to write me every day  
All she's gotta do is  
Hold on  
Hold on to my love  
While I'm gone  
She's gotta hold on to my love  
Don't let it slip away  
Hold on  
Hold on to my love  
Hold on  
Hold on to my love
