

# My Favourite

Leo Sayer

The first time I met you  
I knew that I was gonna fall  
You took me you shook me  
You put me higher on the wall  
But I love it you're my favourite  
Won't change it for anything at all  
I can't do I won't do won't undo  
Anything at all 'bout you  
Your walking and your looking and  
Your smile and little things you do  
Promises of kisses your wish is  
Never to be blue  
Oh I love it you're my favourite  
It don't get better than with you  
I can't be don't wanna be  
I can't see anybody else but you  
There are no attractions  
That compare with you  
Great the satisfaction  
Of being near you  
Ain't anything at all  
Ain't anything at all  
Ain't anything at all like you  
No there's nothing there at all  
Nothing there at all  
Nothing there at all like you

(solo)

Yeah the little things you do  
Yeah everybody crazy crazy 'bout you  
There can't be there won't be  
How could there be anybody like you  
I love it you're my favourite  
And I won't let anybody in but you  
Don't need no willpower  
To be true to you  
There's no one can think of  
Could place above you  
Not anyone at all  
Not anyone at all  
Not anyone at all but you  
No not anyone at all  
Not anyone at all  
Not anyone at all like you  
I love it you're my favourite  
And it don't get better than with you  
I can't see don't wanna be  
With anybody else but you  
I love it you're my favourite  
Won't change it for anything at all  
I can't do I won't do  
Won't undo anything at all 'bout you
