

Never Had A Dream Come True

Leo Sayer

I never, never had
A dream come true
In my every dream
I'm loved by you
And we're free as the wind
And true love is no sin
Therefore men
Men are men and not machines
Doo, doo, doo, doop
Doo, doo, doo, doo, doop
Doo, ooh
Doo, doo, doo, doop
Doo, doo, doo, doo, doop
Doo, ooh
I never, never had
A dream come true
Without you, the world

Is painted shades of blue
It seems my folks are ashamed
They say I ain't
I ain't worth the pain
Oh, but I'm glad
I'm glad I'm chained to my dreams
Doo, doo, doo, doop
Doo, doo, doo, doo, doop
Doo, ooh
Doo, doo, doo, doop
Doo, doo, doo, doo, doop
Doo, ooh
I wish I was free as the wind
And true love was no sin
In a place where men where men
And not machines
And every dream came true
Babe for me and you
Ooh doo, doo,
Doo, doo, doo, doo,
Doo, doo, doo, doo, doo
