

# When the Money Runs Out

Leo Sayer

When the money runs out  
What will we do  
Turn around and start anew  
Takes all your lovin' babe  
To see me through  
Without your love  
What would I do  
'Cos I'd put you and me babe  
Up against the world  
There ain't nobody else  
Like you and me girl  
Who wants the money and the luxury  
When love and happiness  
Is all you need  
Can't you see that all you're living for  
Is dollars and cents  
Don't make no sense  
And all you think about in the final end  
Is spend spend, spend  
So when the money runs out  
We'll fly away  
And quit the city life and find a hideaway  
Live in the country babe  
Off the fat of the land  
Nothing to worry about  
No money in the bank  
Who needs the money - what does it mean  
Another roll of paper babe - in a sea of green  
To live life for money - you've got to be mad  
When I watch you burn it up you know I feel so sad

(solo)

So when the money runs out  
What will you do  
Turn to me babe and I'll pull you through  
We'll give back the diamonds  
And we'll sell the car  
We'll live the simple life  
And make a brand new start  
'Cos I put you and me babe  
Up against the world  
There ain't nobody else  
Like you and me girl  
Who wants the money and the luxury  
When love and happiness  
Is all you need  
Yeah when the money runs out  
I still got you  
Yeah when the money runs out  
When the money runs out
