

Brown Skin Girl

Leon Bridges

Brown skin girl on the other side of the room
Brown skin girl staring with her brown eyes
Oh, baby, don't you know you're a cutie pie

Princess, little honey with the polka dot dress on
Ruby-lipped lady whose name I don't know
Let me tell you, darling
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh, ok

Brown skin girl with the white pearls 'round her neck
Brown skin girl, let me hold you close under the white moon
'Cause baby, I'm ready and you know that I'm waiting on you

Princess, little honey with the polka dot dress on
Ruby-lipped lady whose name I don't know
Let me tell you, darling
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
