

A Song For You

Leon Jackson

I've been so many places in my life and time
I've sung a lot of songs
I've made some bad rhymes
I've acted out my life on stages with ten thousand people watching
But we're alone now and I'm singing this song to you
I know your image of me is what I hope to be, I've treated you unkindly
But Darling can't you see There's no one more important to me
Baby, can't you see through me, 'cause we're alone now
And I'm singing this song for you, you taught me precious secrets
Of a true love withholding nothing, you came out in front
When I was hiding,
But now am so much better
An if my words don't come together, listen to the melody
'Cause my love is in there hiding

I love you in a place where there's no space or time, I love you from my life
Your a friend of mine, and when my life is over
Remember, when we were together
We were alone, and I was singing this song to you

I love you in a place where there's no space or time, I love you from my life
Your a friend of mine, and when my life is over
Remember, remember when we were together
We were alone, and I was singing this song to you

We were alone, and I was singing this song to you.
We were alone, and I was singing this song to you.
