Another summer day
Has come and gone away
In Paris and Rome
But I wanna go home
Mmmmmmmmm

Maybe surrounded by A million people I Still feel all alone I just wanna go home Oh, I miss you, you know

And I've been keeping all the letters that I wrote to you Each one a line or two "I'm fine baby, how are you?"
Well I would send them but I know that it's just not enough My words were cold and flat
And you deserve more than that

Another aeroplane Another sunny place I'm lucky I know But I wanna go home

Mmmm, I've got to go home

Let me go home $\label{eq:constraint} I\,\mbox{'m just too far from where you are} \\ I\mbox{ wanna come home}$

And I'm surrounded by A million people I Still feel all alone Oh, let me go home Oh, I miss you, you know

Let me go home
I've had my run
Baby, I'm done
I gotta go home
Let me go home
It will all be all right
I'll be home tonight
I'm coming back home
