A Moment Like This

Ooh oooh Ooh What if I told you it was all meant to be (eeee) Would you believe me, would you agree It's almost that feeling that we've met before So tell me that you don't think I'm crazy When I tell you love has come here and now

A moment like this Some people wait a lifetime For a moment like this Some people search forever For that one special kiss. Ohh, I can't believe it's happening to me Some people wait a lifetime For a moment like this

Everything changes, but beauty remains Something so tender I can't explain Well I may be dreaming but till I awake Can we make this dream last forever And I'll cherish all the love that we share

A moment like this Some people wait a lifetime For a moment like this Some people search forever For that one special kiss Ohh! I can't believe it's happening to me Some people wait a lifetime For a moment like this Could this be the greatest love of all I wanna know that you will catch me when I fall So let me tell you this Some people wait a lifetime for a moment... like this!

Some people wait a lifetime for a moment like this Some people search forever for that one special kiss Ohh, I can't believe it's happening to me Some people wait a lifetime for a moment like this A moment like this! For that one special kiss

Oooohhhh i can't believe it's happening to me Some people wait a lifetime for a moment like this A moment like this
