

Better In Time

Leona Lewis

It's been the longest winter without you
I didnt know where to turn to
See somehow I cant forget you
After all that we've been through

go in, come in
thought i heard a knock
who's there? no one
thinking that i deserved it
now i realize that i really didnt know
you didnt notice, you mean everything
quickly im learning, to love again
all i know is, imma be ok

thought i couldnt live without you
its gonna hurt when it heals to
it'll all get better in time
eventhough i really love you
im gonna smile cause i deserve to
it'll all get better in time

how could i turn on the tv
without something there to remind me
was it all that easy
to just put aside your feelings

if im dreaming
dont wanna let, hurt my feelings

but thats the path, i believe in
and i know that, time will heal it
you didnt notice, you mean everything
quickly im learning, to love again
all i know is, imma be ok

thought i couldnt live without you
its gonna hurt when it heals to
it'll all get better in time
eventhough i really love you
im gonna smile cause i deserve to
it'll all get better in time

since theres no more you and me
its time i let you go so i can be free
and live my life how it should be
no matter how hard it is ill be fine without you
yes i will

thought i couldnt live without you
its gonna hurt when it heals to
it'll all get better in time
eventhough i really love you
im gonna smile cause i deserve to
it'll all get better in time
