

# Better In Time

Leona Lewis

It's been the longest winter without you  
I didnt know where to turn to  
See somehow I cant forget you  
After all that we've been through

go in, come in  
thought i heard a knock  
who's there? no one  
thinking that i deserved it  
now i realize that i really didnt know  
you didnt notice, you mean everything  
quickly im learning, to love again  
all i know is, imma be ok

thought i couldnt live without you  
its gonna hurt when it heals to  
it'll all get better in time  
eventhough i really love you  
im gonna smile cause i deserve to  
it'll all get better in time

how could i turn on the tv  
without something there to remind me  
was it all that easy  
to just put aside your feelings

if im dreaming  
dont wanna let, hurt my feelings

but thats the path, i believe in  
and i know that, time will heal it  
you didnt notice, you mean everything  
quickly im learning, to love again  
all i know is, imma be ok

thought i couldnt live without you  
its gonna hurt when it heals to  
it'll all get better in time  
eventhough i really love you  
im gonna smile cause i deserve to  
it'll all get better in time

since theres no more you and me  
its time i let you go so i can be free  
and live my life how it should be  
no matter how hard it is ill be fine without you  
yes i will

thought i couldnt live without you  
its gonna hurt when it heals to  
it'll all get better in time  
eventhough i really love you  
im gonna smile cause i deserve to  
it'll all get better in time
