Better In Time

Leona Lewis

It's been the longest winter without you I didnt know where to turn to See somehow I cant forget you After all that we've been through

go in, come in thought i heard a knock who's there? no one thinking that i deserved it now i realize that i really didnt know you didnt notice, you mean everything quickly im learning, to love again all i know is, imma be ok

thought i couldnt live without you its gonna hurt when it heals to it'll all get better in time eventhough i really love you im gonna smile cause i deserve to it'll all get better in time

how could i turn on the tv without something there to remind me was it all that easy to just put aside your feelings

if im dreaming
dont wanna let, hurt my feelings

but thats the path, i believe in and i know that, time will heal it you didnt notice, you mean everything quickly im learning, to love again all i know is, imma be ok

thought i couldnt live without you its gonna hurt when it heals to it'll all get better in time eventhough i really love you im gonna smile cause i deserve to it'll all get better in time

since theres no more you and me its time i let you go so i can be free and live my life how it should be no matter how hard it is ill be fine without you yes i will

thought i couldnt live without you its gonna hurt when it heals to it'll all get better in time eventhough i really love you im gonna smile cause i deserve to it'll all get better in time
