

Footprints in the Sand

Leona Lewis

You walked with me
Footprints in the sand
And helped me understand
Where I'm going

You walked with me
When I was all alone
With so much unknown
Along the way
Then I heard you say

I promise you
I'm always there
When your heart is filled with sorrow and despair
I'll carry you
When you need a friend
You'll find my footprints in the sand

I see my life
Flash across the sky
So many times have I
Been so afraid

And just when I
I thought I'd lost my way
You gave me strength to carry on
That's when I heard you say

I promise you
I'm always there
When your heart is filled with sorrow and despair
I'll carry you
When you need a friend
You'll find my footprints in the sand

When I'm weary
I know you'll be there
And I can feel you
When you say

I promise you
I'm always there
When your heart is filled with sorrow and despair
I'll carry you
When you need a friend
You'll find my footprints in the sand

I promise you
I'm always there
When your heart is filled with sorrow and despair
I'll carry you
When you need a friend
You'll find my footprints in the sand
