

# Footprints in the Sand

Leona Lewis

You walked with me  
Footprints in the sand  
And helped me understand  
Where I'm going

You walked with me  
When I was all alone  
With so much unknown  
Along the way  
Then I heard you say

I promise you  
I'm always there  
When your heart is filled with sorrow and despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand

I see my life  
Flash across the sky  
So many times have I  
Been so afraid

And just when I  
I thought I'd lost my way  
You gave me strength to carry on  
That's when I heard you say

I promise you  
I'm always there  
When your heart is filled with sorrow and despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand

When I'm weary  
I know you'll be there  
And I can feel you  
When you say

I promise you  
I'm always there  
When your heart is filled with sorrow and despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand

I promise you  
I'm always there  
When your heart is filled with sorrow and despair  
I'll carry you  
When you need a friend  
You'll find my footprints in the sand
