

# Happy

Leona Lewis

Someone once told me  
That you have to choose  
What you win or lose  
You can't have everything

Don't you take chances  
You might feel the pain  
Don't you love in vain  
'Cause love won't set you free

I could stand by the side  
And watch this life pass me by  
So unhappy  
But safe as could be

So what if it hurts me?  
So what if I break down?  
So what if this world just throws me off the edge  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about all the pain in front of me  
I'm just trying to be happy  
I just wanna be happy, yeah

Holding on tightly  
Just can't let it go  
Just trying to play my role  
Slowly disappear

But all these days  
They feel like they're the same  
Just different faces  
Different names  
Get me out of here

I can't stand by the side  
Ooh, no  
And watch this life pass me by  
Pass me by

So what if it hurts me?  
So what if I break down?  
So what if this world just throws me off the edge?  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about all the pain in front of me  
I'm just trying to be happy

Oh, happy  
Oh

So many turns that I can't see  
Like I'm a stranger on this road  
But don't say victim  
Don't say anything

So what if it hurts me?  
So what if I break down?  
So what if this world just throws me off the edge?  
My feet run out of ground  
I gotta find my place  
I wanna hear my sound  
Don't care about all the pain in front of me  
I just wanna be happy  
Happy  
I just wanna be  
Oh  
I just wanna be  
Happy
