Waiting here For you to call me For you to tell me That everything's a big mistake Waiting here In this rainfall Feeling so small This dream was not suppose to break I'm so sorry now For the pain I caused you Wont you please forgive Please But you don't love me anymore You don't want me anymore There's a sign on your door No vacancy, just emptiness Without your love I'm homeless In this cold I'm walking aimless Feeling helpless Without a shelter from the storm In my heart I miss you so much I'm missing your touch And the bed that used to be so warm I'm so sorry now For the pain I caused you Wont you please forgive Please But you don't love me anymore You don't want me anymore There's a sign on your door No vacancy, just emptiness Without your love I'm homeless My, My baby I'm sorry Oh But you don't love me anymore You don't want me anymore There's a sign on your door No vacancy, just emptiness Without your love I'm homeless
