I Will Be

Leona Lewis

There's nothing I could say to you
Nothing I could ever do to make you see
What you mean to me
All the pain the tears I cried
Still you never said goodbye
And now I know
How far you'd go

I know I let you down
But it's not like that now
This time I'll never
Let you go

I will be
All that you want
And get myself together
'Cause you keep me from falling apart
All my life
I'll be with you forever
To get you through the day
And make everything OK

I thought that I had everything
I didn't know what life could bring
But now I see honestly
You're the one thing I got right
The only one I let inside
Now I can't breathe
'cause you're here with me

And if I let you down
I'd turn it all around
'Cause I would never
Let you go

I will be
All that you want
And get myself together
'Cause you keep me from falling apart
All my life
I'll be with you forever
To get you through the day
And make everything OK

'Cause without you
I can't breathe
I'm not gonna ever ever let you leave
You're all I've got
You're all I want

'Cause without you
I don't know what I'd do
I could never ever live a day without you
Here with me do you see
You're all I need

I will be

All that you want
And get myself together
'Cause you keep me from falling apart
All my life
I'll be with you forever
To get you through the day
And make everything OK

I will be
All that you want
And get myself together
'Cause you keep me from falling apart
All my life
I'll be with you forever
To get you through the day
And make everything OK
