I Wish It Could Be Christmas Everyday

Leona Lewis

Oh, when the snowman brings the snow Oh well, he just might like to know He's put a great big smile On somebody's face

If you jump into your bed And you cover up your head Don't you lock the doors You know that sweet Santa Claus is on hes way

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday Let the bells ring out for Christmas

When we're skating in the park If the storm cloud paints it dark Then your rosy cheeks are gonna light My merry way

Now the frosticals appeared And they've frozen up my beard And so we'll lie by the fire Till the sleep simply melts them all away

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday Let the bells ring out for Christmas

Oh, when the snowman brings the snow Oh well, he just might like to know He's put a great big smile On somebody's face

So if Santa brings that sleigh All around the Milky Way I'll sign my name on the rooftop in the snow Then he may decide to stay

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday Let the bells ring out for Christmas

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday Let the bells ring out for Christmas

Why don't you give your love for Christmas?
