

# Mr Right

Leona Lewis

Mr. Right, Mr. Right, Mr. Right  
Mr. Right, Mr. Right, Mr. Right

I turn the radio on  
Tell them play another song  
Don't you know the holidays just make me blue?  
It won't Christmas without you

I try to make it on my own  
But this house don't feel like a home  
2000 miles away tonight, tonight

Don't you know that I'm so lonely this Christmas? (Yeah, yeah)  
Ooh, ooh, Santa come help me tonight  
Ooh, ooh, make every wish come tonight  
Just one thing I need you to bring me for Christmas, and that's my baby  
Ooh, ooh, Santa come save me tonight  
There's nothing I need under my tree  
I just want Mr Right

Don't wanna look outside  
Snow is falling from the sky  
All I see is couples walking hand in hand  
But I'm the one without my man

I try to make it on my own  
But this house, it don't feel like a home  
2000 miles away tonight, tonight

Don't you know that I'm so lonely this Christmas? (Yeah, yeah)  
Ooh, ooh, Santa come help me tonight  
Ooh, ooh, make every wish come tonight  
Just one thing I need you to bring me for Christmas, and that's my baby  
Ooh, ooh, Santa come save me tonight  
There's nothing I need under my tree  
I just want Mr Right

So if Santa Clause is real, and he know just how I feel  
Ooh baby, so baby, all I want is you  
And when I open my eyes  
Will you be lying by my side?  
Ooh baby (ooh baby) So baby  
All I want is you

Mr. Right, Mr. Right, Mr. Right  
Mr. Right, Mr. Right, Mr. Right

Don't you know that I'm so lonely this Christmas? (Yeah, yeah)  
Ooh, ooh, Santa come help me tonight  
Ooh, ooh, make every wish come tonight  
Just one thing I need you to bring me for Christmas, and that's my baby  
Ooh, ooh, Santa come save me tonight  
There's nothing I need under my tree  
I just want Mr Right
