One More Sleep

Leona Lewis

Snow is falling all around us My baby's coming home for Christmas I've been up all night inside my bedroom He said that he'll be with me real soon

So I wait And I wait But I've had as much as I can take

'Cause I've got 5 more nights of sleeping on my own 4 more days until you're coming home 3 more dreams of you and mistletoe 2 more reasons why I love you so I've got 5 more nights until you're next to me 4 more days of being lonely 3 more wishes I can barely breathe If I can make it to Christmas Eve then it's

One more sleep (One more sleep until it's Christmas) One more sleep (Can't believe how much I missed us) One more sleep (One more sleep until it's Christmas) One more sleep

Now I don't think I can remember A cold and lonelier December And I find myself sitting at the window Wondering when you're gonna get back home

So I try And I try But there is nothing I can do to pass this time

I've got 5 more nights of sleeping on my own 4 more days until you're coming home 3 more dreams of you and mistletoe 2 more reasons why I love you so I've got 5 more nights until you're next to me 4 more days of being lonely 3 more wishes I can barely breathe If I can make it to Christmas Eve then it's

One more sleep (One more sleep until it's Christmas) One more sleep (Can't believe how much I missed us) One more sleep (One more sleep until it's Christmas) One more sleep

Until we're rocking around the Christmas tree Until I got you sitting next to me We got a lot of catching up to do I just can't take this missing you 5 more nights on my own 4 more days 3 more dreams Mistletoe I can't believe I ever let you go 5 more nights of sleeping on my own 4 more days until you're coming home 3 more wishes I can barely breathe If I can make it to Christmas Eve then it's one more sleep It'll be one more It'll be one more (One more sleep)

It'll be one more (One more sleep)

One more sleep
