

When It Hurts

Leona Lewis

I am numb to the pain, I am numb once again without you.
I don't know who to blame, can't react the same without you.
Whether I laugh or cry, is an endless job when I'm around you.

'Cause baby you,
You're loving the way it hurts,
It's goodbye,
'Cause you're loving the way it hurts.
Finally you came to say it,
I don't need this everyday ache
Oh, you.
You're loving the way it hurts.

I was dumb to see it, dumb to believe in living without you
Everything looks strange, my whole life rearranged without you.
I am in this, too, only see it do without you.
I can't sing myself another song without you

'Cause baby you,
You're loving the way it hurts,
It's goodbye,
'Cause you're loving the way it hurts.
Finally you came to say it,
I don't need this everyday ache
Oh, you.
You're loving the way it hurts.

The truth is I can't let it go,
The truth is I already know.
The truth is I can't say goodbye
The truth is I can give one more try.

'Cause you're loving the way it hurts,
You love it when it hurts.
Finally you came to say it,
I don't need this everyday ache
Oh, you.
You're loving the way it hurts.
Oh, you, you're loving the way it hurts.
Oh, you, you're loving the way it hurts.
