

Ballerina

Leona Naess

I'll never feel the weight of your hands
Inside mine like diamonds
Lace so fine ballerina
Cupcake and my earthquake
Wakes me from my sleep that
Never comes, are you breathing
Waiting for me

I didn't really want you
But I want you now
Was so foolish of me
Feel you tumbling down
Into that empty room
The lights went out
I want to rescue want to scream out loud

I didn't think I needed you
But I need you now
Was so empty in me
Feel you crashing down
Into the empty world
The music stops
I want to rescue want to scream out loud
You will always be mine

The room spins
Pull you from me
My body burns
Tell me all the rainbows
The colors that the rain throws
Ballerina dance softly
She knows when to come only
When she's called on slowly coming to

I didn't really want you
But I need you
Was so foolish of me
Feel you tumbling down
Into that empty room
The lights went out
Want to rescue want to scream out loud

I didn't think I wanted you
But I want you now
Was so empty in me
Feel you crashing down
Into the empty world
The music stops
I want to rescue want to scream out loud
You will always be mine

So so sorry
Just come back for me now
So so sorry
Just come back to me now
Or soon

I didn't think I wanted you
But I want you now
Was so foolish of me
Feel you tumbling down
Into that empty room
The lights went out
Wanted to rescue want to scream out loud
I didn't think I needed you
But I need you now
Was so empty in me
Feel you tumbling down
Into that empty room
The lights went out
I want to rescue want to scream out loud
That you will always be mine
