

# A Singer Must Die

Leonard Cohen

Now the courtroom is quiet, but who will confess  
Is it true you betrayed us? The answer is yes  
Then read me the list of the crimes that are mine  
I will ask for the mercy that you love to decline

And all the ladies go moist, and the judge has no choice  
A singer must die for the lie in his voice

And I thank you, I thank you for doing your duty  
You keepers of truth, you guardians of beauty  
Your vision is right, my vision is wrong  
I'm sorry for smudging the air with my song

La la la, la la la la la la la la la, la la la la la, la la

Oh the night it is thick, my defences are hid  
In the clothes of a woman I would like to forgive  
In the rings of her silk, in the hinge of her thighs  
Where I have to go begging in beauty's disguise  
Oh goodnight, goodnight, my night after night  
My night after night, after night, after night, after night

And I am so afraid that I listen to you  
Your sun glassed protectors they do that to you  
It's their ways to detain, their ways to disgrace  
Their knee in your balls and their fist in your face  
Yes and long live the state by whoever it's made  
Sir, I didn't see nothing, I was just getting home late

La la la la la la la la  
La la la la la  
La la la la la  
La la la la la la  
La la la la la la la  
La la la la la la  
La la la la la la la  
La la la la la la la...
