## The Future

## **Leonard Cohen**

Give me back my broken night my mirrored room, my secret life it's lonely here, there's no one left to torture Give me absolute control over every living soul And lie beside me, baby, that's an order! Give me crack and anal sex Take the only tree that's left and stuff it up the hole in your culture Give me back the Berlin wall give me Stalin and St Paul I've seen the future, brother: it is murder.

Things are going to slide, slide in all directions Won't be nothing
Nothing you can measure anymore
The blizzard, the blizzard of the world
has crossed the threshold
and it has overturned
the order of the soul
When they said REPENT REPENT
I wonder what they meant
When they said REPENT REPENT
I wonder what they meant
When they said REPENT REPENT
I wonder what they meant
I wonder what they meant

You don't know me from the wind you never will, you never did I'm the little jew who wrote the Bible I've seen the nations rise and fall I've heard their stories, heard them all but love's the only engine of survival Your servant here, he has been told to say it clear, to say it cold: It's over, it ain't going any further And now the wheels of heaven stop you feel the devil's riding crop Get ready for the future: it is murder

Things are going to slide ...

There'll be the breaking of the ancient western code
Your private life will suddenly explode
There'll be phantoms
There'll be fires on the road
and the white man dancing
You'll see a woman
hanging upside down

her features covered by her fallen gown and all the lousy little poets coming round tryin' to sound like Charlie Manson and the white man dancin'

Give me back the Berlin wall
Give me Stalin and St Paul
Give me Christ
or give me Hiroshima
Destroy another fetus now
We don't like children anyhow
I've seen the future, baby:
it is murder

Things are going to slide ...

When they said REPENT REPENT  $\dots$
