

# Carnival

Les Humphries Singers

Carnival, Mama Carnival  
Carnival, Mama Carnival  
Carnival, Mama Carnival  
Carnival, Mama Carnival

I hear the carnival is coming to town  
I hear the carnival is going around  
You'll never get another chance so bring your gal  
Come along to the carnival  
Wo, wo, wo, wo, wo, wo,

Come come along to the carnival (so let's go)  
Come come along to the carnival (see the show)  
Come come along to the carnival (so let's go)  
Come come along to the carnival  
Right times night times bring your gal  
Night times right times carnival  
We'll be having a good time at the carnival

Carnival, Mama Carnival

I hear the carnival is only one day  
I hear the carnival will soon go away  
So if you get another chance I know you shall  
Come come along to the carnival  
Wo, wo, wo, wo, wo wo,

Come come along to the carnival (so let's go)

Carnival, Mama Carnival  
I hear the carnival is coming tonight  
I hear the carnival is so out a sight  
You'll never get another chance to bring your gal  
Come come along to the carnival  
Wo, wo, wo, wo, wo, wo,
