I'm runnin' after my Baby  
My little lady she's lookin' fine.  
I'm runnin' I can't forget her and when I get there  
We'll  
We'll just fly away.

Run Baby run Baby run run run . . .

I'm runnin' after my Baby  
She drives me crazy she's lookin' fine.  
I'm runnin' I've got to go that's all I know  
And then we'll fly away.
