

My Town My Guy And Me

Lesley Gore

Don't tell me about towns like New York, Frisco
I'm not interested in all that small talk, go go
I'm one satisfied being here by my baby's side

Just give me my town, my guy and me
My town, my guy and me
My town's got all the other towns beat
My town's got everything that I need
Just give me my town, my guy and me

Don't tell me about all the good times I'm missin'
Nothin's good as the time when we're lovin' and kissin'
I'm happy right here, for every night he holds me near

Just give me my town, my guy and me
My town, my guy and me
My town's got what no other town's got
A guy that loves me and needs me a lot
So give me my town, my guy and me
My town, my guy and me

Oh I'm happy right here, for every night he holds me near

Just give me my town, my guy and me
My town, my guy and me
My town's got what no other town's got
A guy that loves me and needs me a lot

Just give me my town, my guy and me
My town, my guy and me
