

# Slow Goodbye

Lesley Roy

I can read the lines  
On your face and they're telling me  
Everything I already know  
Yeah  
I hold you in my arms  
But you're light years away from me  
Slowly sinking under, alone  
Yeah

So I act cool  
On the outside  
But it's eating me alive

'Cause when it comes to you  
There's nothing I can do  
I can't make you love me when you don't  
I see it in your eyes  
I'm the compromise  
No, I can't take another slow goodbye

Sitting in the park, after dark, smoking cigarettes  
Biting all the black off of my nails  
'Cause all I ever wanted was what you took away from me  
Try to make it right, but it's too late

I'm a hopeless case on the inside  
And it's eating me alive

'Cause when it comes to you  
There's nothing I can do  
I can't make you love me when you don't  
I see it in your eyes  
I'm the compromise  
No, I can't take another slow goodbye

No  
I die  
A million times every time when you look me in the eye  
I die  
'Cause I've heard it all before  
The same pain  
We go around and around  
But I still end up with nothing  
But heartache

'Cause when it comes to you  
There's nothing I can do  
I can't make you love me when you don't  
I see it in your eyes  
I'm the compromise  
No, I can't take another slow goodbye  
No  
There's nothing I can do  
Nothing I can do  
I can't make you love me when you don't  
I see it in your eyes  
I'm the compromise

No, I can't take another slow goodbye
