

Unbeautiful

Lesley Roy

Don't hang up. Can't we talk?
So confused, it's like I'm lost
What went wrong? What made you go?
Don't pretend you don't know
This is me - I'm unchangeable
When did we fall apart?
Or did you lie from the start
When you said it's only you?
I was blind, such a fool
Thinking we were unbreakable

It was you and me against the world
And you promised me forevermore
Was it something that I said?
Was it something that I did?
'Cause I gotta know what made me unbeautiful

I've been told what's done is done
To let it go and carry on
And deep inside, I know that's true
I'm stuck in time, stuck on you
We were still untouchable

It was you and me against the world
And you promised me forevermore
Was it something that I said?
Was it something that I did?
'Cause I gotta know what made me unbeautiful

Wake up, wake up, wake up, wake up, 'cause I'm only dreaming
Get out, get out, get out, get out, get out of my head now
Because we're much better altogether
Can't let go

It was you and me against the world
And you promised me forevermore
Was it something that I said?
Was it something that I did?
'Cause I gotta know what made me unbeautiful
It was you and me against the world
And you promised me forevermore
Was it something that I said?
Was it something that I did?
'Cause I gotta know what made me unbeautiful
Made me unbeautiful
