

# Unbeautiful

Lesley Roy

Don't hang up. Can't we talk?  
So confused, it's like I'm lost  
What went wrong? What made you go?  
Don't pretend you don't know  
This is me - I'm unchangeable  
When did we fall apart?  
Or did you lie from the start  
When you said it's only you?  
I was blind, such a fool  
Thinking we were unbreakable

It was you and me against the world  
And you promised me forevermore  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know what made me unbeautiful

I've been told what's done is done  
To let it go and carry on  
And deep inside, I know that's true  
I'm stuck in time, stuck on you  
We were still untouchable

It was you and me against the world  
And you promised me forevermore  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know what made me unbeautiful

Wake up, wake up, wake up, wake up, 'cause I'm only dreaming  
Get out, get out, get out, get out, get out of my head now  
Because we're much better altogether  
Can't let go

It was you and me against the world  
And you promised me forevermore  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know what made me unbeautiful  
It was you and me against the world  
And you promised me forevermore  
Was it something that I said?  
Was it something that I did?  
'Cause I gotta know what made me unbeautiful  
Made me unbeautiful
