

# Eureka

Leslie Clio

Oh I figured out  
It's all about having no doubt  
I've got my head in the clouds  
I let it out, just let it out  
I'm on a mission and I'm feelin' fine  
I let it shine, I let it shine  
My time has just begun, I feel so alive  
I think I'm flying, I think I'm flying

Stars upon stars upon stars upon, upon stars

Just another diamond day  
Another bright light  
And I can't be bothered  
Head high and trouble won't seek ya  
Yes oh yes oh yes Eureka!  
Just another diamond day  
Another bright sky  
Whatever the weather  
Head high and trouble won't seek Ya  
Yes oh yes oh yes Eureka!  
Na, Na, Na, Na, Na, Na, Na, Na  
Yes oh yes oh yes Eureka!

Oh I don't think it's wrong  
I think it's right to turn the tide  
The very best has yet to come  
Pull up the sun, pull up the sun, baby  
Today's a new day, bring it on  
Bad days are done, bad days are done  
I'm so excited, gotta tell everyone  
To come along, just come along

Stars upon stars upon stars upon, upon stars

Just another diamond day  
Another bright light  
And I can't be bothered  
Head high and trouble won't seek ya  
Yes oh yes oh yes Eureka!  
Just another diamond day  
Another bright sky  
Whatever the weather  
Head high and trouble won't seek Ya  
Yes oh yes oh yes Eureka!  
Na, Na, Na, Na, Na, Na, Na, Na  
Yes oh yes oh yes Eureka!

Just another diamond day  
Another bright light  
And I can't be bothered  
Just another diamond day  
Another bright sky  
Whatever the weather

Just another diamond day  
Another bright light

And I can't be bothered  
Head high and trouble won't seek ya  
Yes oh yes oh yes Eureka!  
Just another diamond day  
Another bright sky  
Whatever the weather  
Head high and trouble won't seek Ya  
Yes oh yes oh yes Eureka!  
Na, Na, Na, Na, Na, Na, Na, Na
