

# Fuck What They Told Ya

Leslie Clio

All those bad girls are bored  
Cause they don't like what's in store  
You know your girl's super fly  
Watch your baby bye bye  
I'm tired of baking bread  
Stop watching breaking bad  
Roll up the sunny side  
And everything is right alright  
My friend from Finland called  
Said you can't win them all  
Can't follow erveryone, call Jim, come back  
Have fun fun fun

Love it or leave it  
But I won't really pay no mind  
Keep banging my own drum  
Fuck what they told ya  
Won't rock around the clock  
Just cause you're stakes are high  
Keep banging my own drum  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck what they told ya

All this glitter ain't gold  
Why should I do what I'm told?  
Don't rain on my parade  
I sing my own serenade  
How to look and what to wear where  
Out of vogue, why should I care  
Tell the man his time is up  
I don't want just another cub  
Why would I want to fake for real?  
Better trust in what I feel  
If you're no friend of mine  
Stop bugging me, don't waste my time

Love it or leave it  
But I won't really pay no mind  
Keep banging my own drum  
Fuck what they told ya  
Won't rock around the clock  
Just cause you're stakes are high  
Keep banging my own drum  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck

Fuck fuck fuck fuck  
Fuck what they told ya

Your mighty mighty smart  
Right just the way you are  
So let your bellies out  
Be body positive, be proud  
You know you're looking good  
Just like you knew you would  
Roll up the sunny side  
Don't let nobody steal your shine

Love it or leave it  
But I won't really pay no mind  
Keep banging my own drum  
Fuck what they told ya  
Won't rock around the clock  
Just cause you're stakes are high  
Keep banging my own drum  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck what they told ya  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck fuck fuck fuck  
Fuck what they told ya
