

# A Return to Headphones

Less Than Jake

This is not meant to apologize for any place or time  
This is not meant to eulogize for years gone by  
All the words I've used to get me by I've memorised

You can't control where lightning strikes  
You'd better bet there's always a bright side  
I've got a trophy case full of mistakes  
Never came in second place

I've been a castaway, I'm flat on my face  
Let me set the record straight

I never thought that I would be the one to give up  
Doesn't matter anyway

I can't believe that I just made a mistake  
O-o-o-o-oh  
Guess I'm turning out OK

This is not for you to pick and choose for a better side  
This is not meant to be used as proof when I've meant to lie  
All the words I've used still hold true  
I'll testify

Even black clouds have silver lines  
You'd better bet there's always a bright side  
I've got a trophy case full of mistakes  
Never came in second place

I've been a castaway I'm flat on my face  
Let me set the record straight

I never thought that I would be the one to give up  
Doesn't matter anyway

I can't believe that I just made a mistake  
O-o-o-o-oh  
Guess I'm turning out OK

I've got a trophy case full of mistakes  
Never came in second place

I've been a castaway I'm flat on my face  
Let me set the record straight

I never thought that I would be the one to give up  
Doesn't matter anyway

I can't believe that I just made a mistake  
O-o-o-o-oh  
Guess I'm turning out OK

I've got a trophy case full of mistakes  
O-o-o-o-oh  
Guess I'm turning out OK

I can't believe that I just made a mistake

O-o-o-o-oh  
Doesn't matter anyway
