A.S.A.O.K.

Less Than Jake

This song is for everyone that said I was
Programed, hardwired, that I'd self-destruct
They'd say I was destined to always be desperate
They'd say I was destined to always fuck up
And I was voted the first one to crumble and break
I'd never have a chance, the biggest waste

But now I'm the one who's laughing last
Because you're the one that keeps looking back
You're the one that's fading away

So I say
This song is for everyone that said I was
Programed, hardwired, that I'd self-destruct
They'd say I was destined to always be desperate
They'd say I was destined to always fuck up
And I was voted the first one to crumble and break
I'd never have a chance, the biggest waste

But now I'm the one who's laughing last
Because you're the one that keeps looking back
You're the one that's fading away, fading away
