

Harvey Wallbanger

Less Than Jake

Whoa, Whoa, Yeah, Whoa, Whoa, Yeah,
Whoa, Whoa, Yeah, Whoa, Whoa, Yeah

We are recession royalty
Take aderol to stay awake
And alcohol to fall asleep
We're bankrupt brothers charge a fee
Your bank account meets gravity
Falling backwards
Here's our last words

Throwing up through the bars(?)
Everyone drinks for free
Hello Harvey Wallbanger
St. Jamieson's right next to me
Throwing up through the bars(?)
Everyone drinks for free
Thank you Harvey Wallbanger
St. Jamieson keeps helping me

Whoa, Whoa, Yeah, Whoa, Whoa, Yeah,

Your family tree is falling down
The future calls
You lose your house
Three chairs for the down and out
Let's have a toast for living now
Fly the flag for the proud
Falling backwards
Here's our last words

Throwing up through the bars(?)
Everyone drinks for free
Hello Harvey Wallbanger
St. Jamieson's right next to me
Throwing up through the bars(?)
Everyone drinks for free
Thank you Harvey Wallbanger
St. Jamieson keeps helping me

We always keep free falling backwards
Tongue tied(?), Here's our last words
Throwing up through the bars(?)
Everyone drinks for free
Hello Harvey Wallbanger
St. Jamieson's right next to me
Throwing up through the bars(?)
Everyone drinks for free
Just keep myself numb, constantly
Throwing up through the bars(?)
Everyone drinks for free
Throwing up through the bars(?)
Everyone drinks for free
Throwing up through the bars(?)
Everyone drinks for free
Hello Harvey Wallbanger
St. Jamieson's right next to me

Thank you Harvey Wallbanger
St. Jamieson keeps helping me
Thank you stalled economy for all of my uncertainty
