

I Think I Love You

Less Than Jake

I'm sleeping
right in the middle of a good dream
when all at once i wake up
from somethign that keeps knocking at my brain
before i go insane
i hold my pillow to my head
and spring up in my bed
screaming out the words i dread
I think I love you!
this morning i woke up with this feeling
i didnt kno how to deal with
and so i just decided to myself
id hide it to myself
and never talk about it
and did not go and shout
when you walked into the room
i think i love you
i think i love you
so what am i so afraid of
im afraid that im not sure of
a love that theres no cure for
i think i love you
is that what life is made of
though it worries me to say
that i've never felt this way
believe me
u really dont have to worry
i only wanna make you happy
and if u say hey go away i will
but i think better still
i better stare out and love you
do u think i have a case
let me ask you to your face
i think i love you
i think i love you
so what am i so afraid of
im afraid that im not sure of
a love that theres no cure for
i think i love you
is that what life is made of
though it worries me to say
that i've never felt this way
i dont kno what im up agaisnt
i dont kno what its all about
i got so much to think about
i think i love
so what am i so afraid of
im afraid that im not sure of
a love that theres no cure for
do you think u love me?
i think i love you
i think i love you
i think i love you
