He's just like anyone he's just like anybody he's just like frank and I know it and he knows it it's his one sided point of view I know it when he says it's my way, or the wrong way and I don't care about you but to see my side wouldn't be the worst thing he could do when someone's politic blinds you and binds you to something you don't believe in and he's just like anyone... and I saw him walking on my way path third street just the other day why doesn't he understand views keep changing?
