

# Last One out of Liberty City

Less Than Jake

Last one out of Liberty City,  
Burn it to the ground.

I know, I know, I know.  
I know just who I am.  
It was in my head,  
is that I don't really give a damn.  
Just who you think I am.  
Just who I am, just who I am.  
(Just who I!)

I know there comes a time  
when you lost faith  
in what you believe inside.  
(What you have inside.)  
And did you know somehow,  
its just not smart enough to start.  
(It gets up from the ground.)

The other day, this girl  
came up to me and asked.  
If she used to go to school with me  
I kinda laughed. She said  
wasn't I the guy her friends always  
called a waste of time.

I know, I know, I know.  
I know just who I am.  
It was in my head,  
is that I don't really give a damn.  
Just who you think I am.  
Just who I am, just who I am.  
(Just who I!)

Well it's time to think about  
where I'll be ten years from now.  
(Ten years from now!)  
I wonder if the media knows  
I call myself washed up, not watered down.  
(Just water on the ground!)

The other night, this guy  
came up to me downtown.  
And can't believe after five years  
I'm still around. And he said  
wasn't I the guy who walked these streets all night,  
such a waste of time.

I know, I know, I know.  
I know just who I am.  
It was in my head,  
is that I don't really give a damn.  
Just who you think I am.

Just who I am, just who I am.  
(Just who I!)  
Just who I am, just who I am.

(Just who I!)

Just who I am, just who I am.

(Just who I aaamammm!)

WOAHOW!
