

# National Anthem

Less Than Jake

does being in debt feel just like a long lost friend  
well just wait around cause the desperation's kicking in, and  
its already starting to mix with one of my best peices of ficti  
on

and it's called i'll be getting by and i'll make ends meet does  
the forty hour week have you bent at the knees and you can't e  
ven see that everything's kept just out of reach

ever get that funny feeling that your future is not going to be  
bought cheap, and that for sale sign thats hanging on your nec  
k might as well spell defeat, yeah its already starting to mix  
with on of my best peices of fiction

and it's called i'll be getting by and i'll make ends meet does  
the forty hour week have you bent at the knees and you can't e  
ven see that everything's kept just out of reach

my american dream is to have it a little bit better than my par  
ents ever had it [x2]

my american dream is to have it a little bit better than its ju  
st a force habit

my american is to have it a little bit better than my parents e  
ver had it
