

## Le Prologue

letlive.

there are no martyrs in resolution  
if you remain still, don't expect restitution  
stand up  
you cannot argue with evolution  
all we are certain of is death and excuses  
stand up  
no worthy icons, no revolution  
if you remain seated, expect destitution  
stand up  
I am the martyr of evolution  
rather than die, I'll provoke execution  
stand up

well hello,  
now I'm on my way to the sun  
just to take him on for the place of...  
GOD
