

Daddy Can I Please Come Back Home

LeToya

I'm so far away from home
I don't know how I ended up here all alone
Seems, Like just yesterday
Everything was alright
How did I get here tonight

I was raised better than this
Daddy you don't know how much I miss
All the lesson life taught you
You tried to tell me so I wouldn't have to go through

I cry myself to sleep
(Cry myself to sleep)
Try to find some peace
(Try to find some peace)
Your little girl has just one question for you tonight
Daddy can I please come back home?
Hold me close don't ever let me go
I wanna say I'm sorry daddy every time I let you down
Can I come home tonight tell me everything will be alright

What am I gonna do?
If I can't come home to you
Am I still Daddy's little girl?
In this big bad world
I'm calling out to you now
Please hear me someday, somehow

I was raised better than this
Daddy you don't know how much miss
All the lessons life taught you
You tried to tell me so I wouldn't have to go through

I cry myself to sleep
(Cry myself to sleep)
Try to find some peace
(Try to find some peace)
Your little girl has just one question for you tonight
Daddy can I please come back home?
Hold me close don't ever let me go
I wanna say I'm sorry daddy every time I let you down
Can I come home tonight, Tell me everything will be alright

I'm tired of yelling Independence
I'm tried of all the dumb pretending
Like I'm someone I'm not
When I'm so dong on lost
I wanna be free from these chains
A virtuous women free of pain
I'm calling out to you now
Please hear me someday, somehow

Daddy can I pleade come back home
Hold me close don't ever let me go
I wanna say I'm sorry daddy every time I let you down
Can I come home tonight tell me everything will be alright

Daddy can I come home tonight tell everything will be alright
Daddy can I come, Home
