

## Obvious

LeToya

Have you ever felt like, you the only one in love in your relationship?  
And as hard as it was to let go, you knew it was the best thing for you  
Well that time has come for me, I gotta move on

You say you wanna get married, but boy are you sure  
Cause there are a couple of issues I refuse to ignore  
You say one thing, and you do another  
And Im realizing you don't want me on your shoulder  
You think material things is what I need  
But all I ever wanted was you  
Just a little kiss, just a little hug  
Now Im realizing that that ain't your kinda love

Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
You're not changing and I know that you love me but  
This thing ain't going the way I planned  
Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
As bad as I want you to stay  
We can't keep going on this way  
Going this way

Don't think you're doing me no favors  
Feeling the need to get on one knee  
When you know you ain't right baby  
You wanna make sure Im always around  
And with the ring on my finger  
That means Im on right now  
I see it in your eyes you weren't  
There's a good chance you doing some dirt  
Cause I don't wanna be the one  
To make you do something you don't want to  
Im gonna let you do you

Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
You're not changing and I know that you love me but  
This thing isn't going the way I planned  
Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
As bad as I want you to stay  
We can't keep going on this way  
Going this way

See there's a part of me  
That doesn't want you here with me  
That's a part of me  
That wants to stick right with you

But it seems like you dont wanna put up a fight  
And why should I even try?

Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
You're not changing and I know that you love me but  
This thing isn't going the way I planned  
Sometimes we want things  
That might not be right for us  
But when you're in love  
You tend to look over the obvious  
As bad as I want you to stay  
We can't keep going on this way  
Going this way
