I use to love this song when I was comin' up

With your heart and I hear every word you say
When you cry at night I'll wipe your tears away
In the name of my lord I'll be there right away

I'm so glad to be here
I thank God everyday for this oppurtunity
Just to be able to get up there every morin'
And I'd never take that for granted
He's blessed me for so many things
A wonderful family, friends
I thank God for listenin', let me pour my heart out for y'all
I thank those who stuck by me for anything I went through
Y'all don't know how much that mean to me man
I appreciate it, I love y'all, just keep prayin' for me
I wanna thank my mama, my daddy
My brother Gabin, my grandparents
I love you too Viney, what's up
All my friends (Ashely)
Dan Ross (Big Damien)
D and Amy, Chris 6
Capitol Records, what's up
