

# Outta Control

LeToya

You...know...I..got  
A little something for ya  
You...know...I..got  
The type of goods you can't say no to and  
Can you hold onto and  
Boy with this song blazin  
You can go out of control

Oh oh  
Here's a little something that I got for you  
Hope it ain't too much for you  
Cause it's something just for you boy  
And we gotta holla a bit 'fore I go  
But don't take that overboard (unh unh)  
You might not wanna move too slow oh

Hook (ad-libs in parenthesis):  
Now it's the infamous T (oh ho)  
And you can't touch me (oh no)  
Unless you ready to be  
With your girl, girl (oooh yeah)\*end hook\*

So don't you act like you confused  
About the stranger out for you  
You just do what I do boy  
Cause

Boy won't you tell me  
Tell me sugar why you got me waiting here  
I thought I said I had to be somewhere  
You could be playing but I think you're scared of me (oh no...don't be scared)  
And now these hour and 30 minutes baby  
Are just enough to drive you crazy  
Think I'ma leave it to you  
Make it do what it do fa sho (fa sho)

That's me  
Oooh  
Mmm mm  
Boy youuuuu

And..you..know...(I got it) I...got  
The type just to make you want you a little bit  
Let me know, baby boy, if you feeling it uh huh  
(boy you)

I got it  
Ohhh  
Hey  
Boy youu  
I got it  
Something for you  
Oh  
No  
Can you hold on  
Slow

Can go out of control  
Oh ohhhhhhh
