

Hey baby, how you doing  
Been a long time  
I know you've been grinding  
Cause you gotta shine  
So boy what's up, you been on my mind  
Take a chick out, let her know what you about  
You think cause you on dubs that you can't be called a scrub  
Boy you need to think again, try and get your weight up  
Might need to take a hint, baby get a game up  
Work that flip, grind boy

Grind boy, let me see you work that  
Flip that, let me see you get stats  
Unh unh boy, go on head and triple that  
Work that, let me see you flip stacks  
Unh, don't play with it  
Do your thang with it  
Just bang with it  
No shame in it  
Boy put your game in it  
Work that flip, grind boy

You lookin' kinda cute in your red mocknee  
Catch you on the block, can I call you Bruce Lee  
Let's take a ride in my new GT  
Or we can hit the mall, a little shopping spree  
Yeah, that's how I like it  
You know you wanna taste this honey don't fight it  
Bring it over here, a little closer boy  
Work that flip, grind boy

Yeah and I'ma spend it all up  
High saditty chicks love balling ass thugs  
Platinum credit cards for they women like what  
Bring cash for that ass and I'ma tear em all up like  
Unh unh  
Daddy what you working with  
Got me popping tags, shopping bags, I'm for certain it's  
Nothing but the best for you toy  
Work that flip, grind boy
